# Serviceable Clutch set for AL 395 Dia Serviceable type Clutch

New concept Perfect Design For Heavy-Duty Application

## COVER ASSEMBLY – Serviceable

**Bolt Design**  
heavy load carrying capacity.

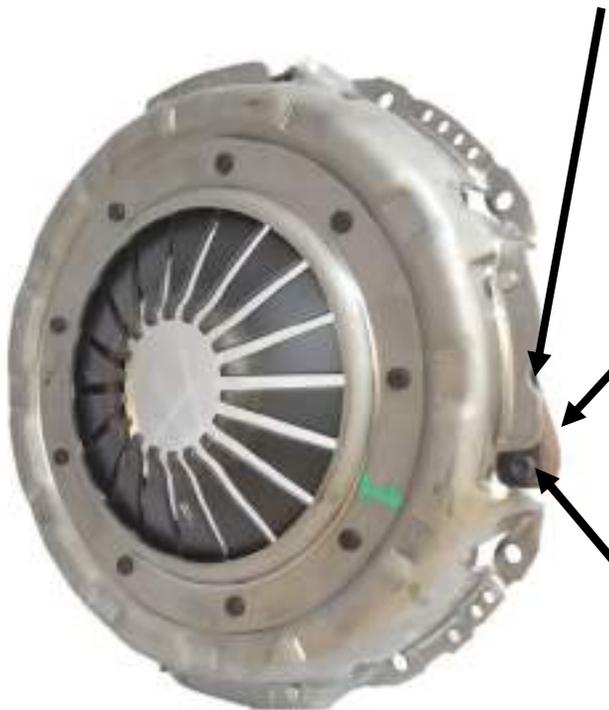

**Induction hardened diaphragm**  
Reduce wear and gives more life.

**Heavy pressure plate**  
GG25 PP - Good Friction and transfer more load

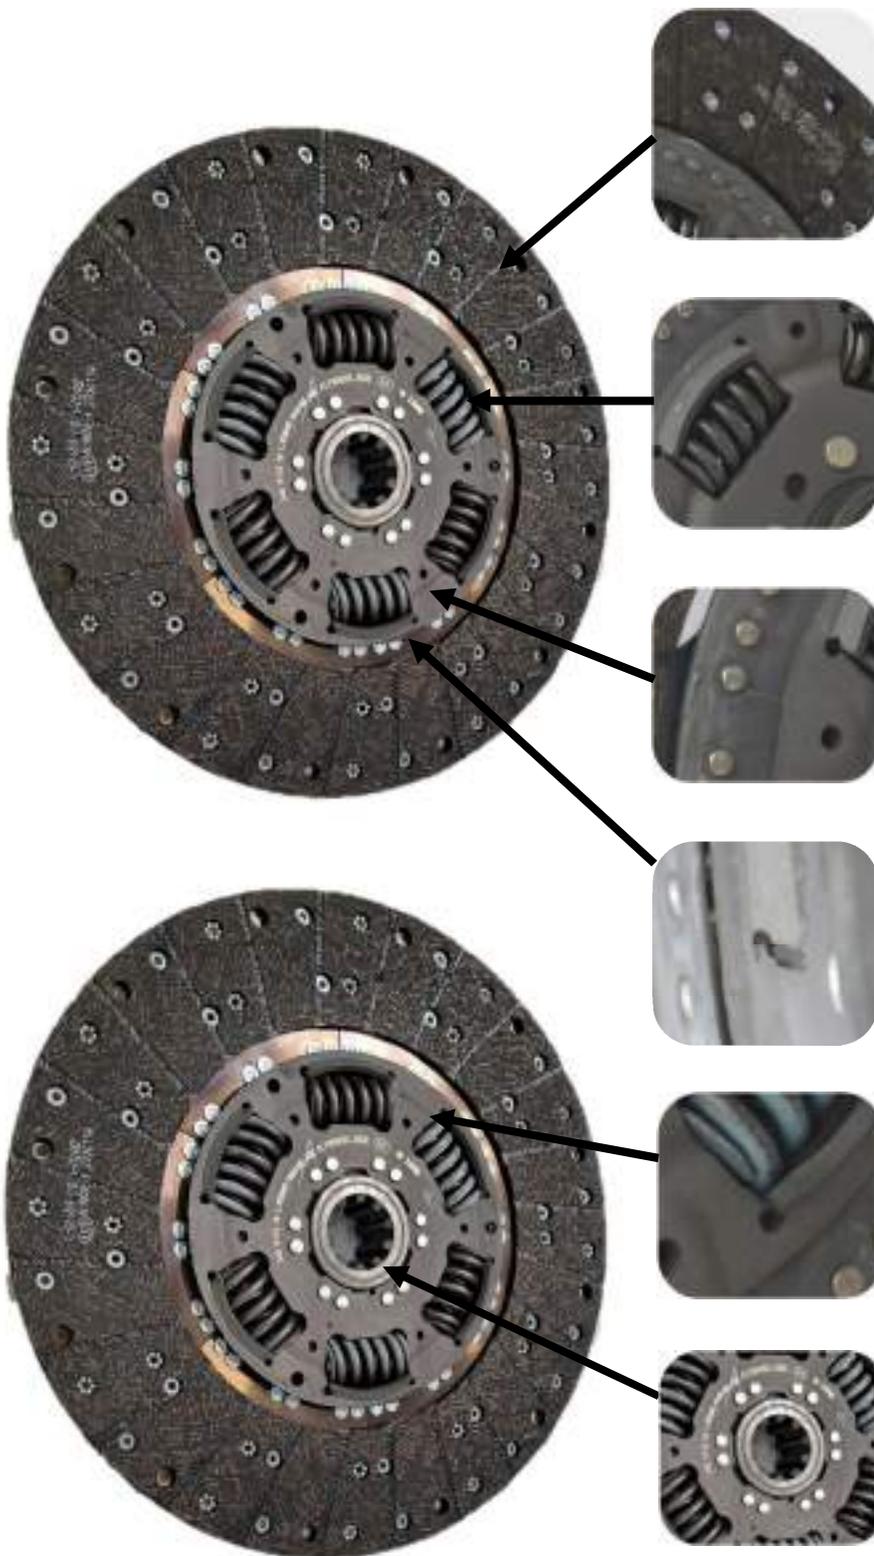

**Robust Strap**  
High load transfer and long - lasting performance

**Serviceable type**  
Pressure Plate will be replaced and **2X** the life

## DRIVEN PLATE – Organic

**Schaeffler B-8090S Facing**  
Long-lasting performance and increase service life of the clutch disc.

**Wide-Angle Damper Design**  
Reduce Noise, Vibration & Harshness (NVH) resulting better drive comfort.

**C75 High steel material**  
Heavy load capacity and more life.

**Robust Retainer plate design**  
Heavy load capacity and more life.

**Lancing design**  
Strengthened window and damper spring.

**Heavy hub**  
High load transfer
