The below mentioned WABCO CMC is made up of aluminum casting, which offers the following customer benefits, when compared with Cast Iron assembly.

#### Customer benefits on Aluminum body over Cast-iron body

- Anodized aluminum bodies 100% rust protected.
- 100% corrosion resistive compared to cast iron material (<240 hrs)
- 100% protection for all internal rubber seals resulting better life
- Higher shelf life
- Preferred choice of all OEM
